

Miracle Service Report JULY 24, 2010

What a triumphant Saturday night we had at the Miracle Service! The Name of Jesus was highly exalted as many of us saw the healing power of God through these wonderful testimonies.

Thirty-one-year-old **Selina Yeo** was unable to breastfeed her baby because of breast infection, swelling and pain. Last Saturday, Selina came to the Miracle Service with a lot of pain. She decided to trust God for healing. Praise God, on Sunday, the pain and infection left her. With all pain and discomfort gone, Selina gave God the glory that she could now breastfeed her baby with ease.

Three months ago, **Claris Oon** suffered extreme itchiness on both hands. Her condition worsened despite applications of all kinds of lotion. She came to the Miracle Service trusting that God would heal her hands. A month ago, she realized with amazement that the itchiness on both her hands was gone.

Ever since **Elijah Locsin** was a little boy, he had problems with his lungs. He had difficulty in breathing and suffered from frequent coughs. His condition became worse and he was hospitalized with pneumonia. His father, who came to our church last November and served as a

Gospelighter, prayed in proxy for Elijah. Within two weeks of prayer, his condition had improved and Elijah is trusting God for complete healing.

Three weeks ago, 64-year-old **Frances Chen** had a bad fall, bruised her head and injured her spinal cord, resulting in excruciating back pain. Because of her injured spinal cord, she had difficulty bending her body. She came to the Miracle Service with pain and was prayed for during the bone structure alignment prayer. To her delight, Frances testified that she was 80% healed and she could bend with ease. What a faithful God we serve!

Helen Kang had a slipped disc. When she went for an X-ray, her doctor proposed that she go for an MRI. Helen decided to trust God instead and was prayed for during the bone structure alignment prayer. In May, she received her healing after a Gospelighter had prayed for her.

For many years, **Vanessa Puah** suffered from severe menstrual cramps. It became so bad that she even experienced giddiness and fainting spells. Last month, the Lord heard her cry. Vanessa's condition had improved greatly and she is trusting God for 100% healing.

THE 7 TRUMPETS

Part 14

By Pastor Rony Tan

Today's text, Revelation 11:14-19, describes the events relating to the 7th Trumpet. We are given a peep into the bustling activities in Heaven as voices declare God's ultimate reign and His intentions for both the redeemed and the stubbornly wicked.

We will also behold the magnificent Temple in Heaven and be taken into the Holy of Holies where the Ark of the Covenant stands. In His wrath, the Lord will never forget His unfailing Covenant with believers.

The exposition of today's text will give Christians great assurance in these tumultuous times.

Messages in CDs and DVDs may be ordered at the counter.

For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. For God sent not his Son into the world to condemn the world; but that the world through him might be saved.

Child Dedication

Sunday, October 24 • 6.00 pm
Shalom Room of LEW & Chapel of LET

These commandments that I give you today are to be upon your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up.

– Deuteronomy 6:6-7 (NIV)

Child dedication is a service in which believing parents make their commitment before the Lord to submit their children to God's will and to raise them according to God's Word.

Christian parents who dedicate their children are making a promise to the Lord to do everything within their power to raise them in a godly way, prayerfully until they can make a decision on their own to follow God. Parents who make this vow of commitment must be responsible to raise them in the ways of God.

Sign up your child for the coming child dedication in October. Pick up a registration form available at the counter, fill in the relevant details and submit the completed form via the form-collection box.

The 3Cs regarding the objectives of this retreat: (1) connectivity; (2) community; and (3) calling.

Community

God creates us to have relationships. There is perfect relationship in the Father, Son and Spirit. What kind of relationships do we have? Are we more concerned with moving in the right circles, being seen with the right people, than with following Christ and serving others? Are we trying so hard to be popular and likeable? Can we find true relationships in the family of God? Spiritual community is important in the Body of Christ. Do I have one? How significant am I as one in the many?

If you are a young adult aged 20 and above, we don't want to miss you out in our young adult community. Come and connect with us at the retreat. Let the Spirit birth a new love in your heart for the Body of Christ!

Slots are running out fast! Sign up at the registration counter immediately after the service.

The Proper Perspective

An excerpt taken from the book *A Meaningful Life* written by Pastor Rony Tan

That session with Sunny set me thinking deeply. After returning home from the tour, I began to listen to the Gospel message more objectively, not to argue with a mind that was already preconceived. I earnestly desired to learn and understand God's message in the light of those things which had taken place in my life. All the jigsaw puzzle pieces of my search for Truth were falling into their respective places, giving me a picture of proper perspective.

I found myself in a better position to understand why I was once offended by the Christian message about sin. Like most people, not only was I unwilling to face the question of my own personal sins honestly before God, I was also not prepared to have God deal with the dark side of my life.

The Bible talks about sin in too precise a term and, for a long time, I found that offensive. I did not mind any religion which taught a vague "be good", and then left the interpretation of what was good or evil to the individual. But the Word of God spells them all out, and plainly too.

Next, I began to see the devil's plan for my life, and yours too. He wants us to be like him – sinful and impure, for he works in and through such unholy lives to further influence other men and women for evil. The devil will use fears, lies and deception to accomplish his purpose.

On the other hand, God uses love and logical persuasion

to draw us unto Him, without imposing upon our free will. He leads us to realize that it is for our benefit that we should come into a beautiful relationship with Him.

The victory over the works of the devil in your life has already been won when Jesus Christ took your guilty place as He suffered, bled and died on the Cross for your sins. He rose again from the dead the third day and is willing to come into your heart and life, if you will let Him. And when that happens, not only are your sins forgiven, you are also given the power over the guilt and dominion of sin.

When you invite Christ into your heart, God will work in and through your life, making you holy, pure and powerful to influence others for good.

Finally, I discovered to my joy that all I had to do (and that goes for you too) was to repent of my sins and invite Jesus Christ into my heart and life in a simple prayer of faith wherever I might be. I am so thankful that God makes the way back to Himself so uncomplicated. He does not require of us something which is totally beyond us. It is in a language and manner in which we both can understand and follow.

In 1968, I bowed my will and heart before my Creator and God, as the late Rev Vincent Cheo led me to make my peace with God in an old wooden shack we called church. That day began a brand-new chapter of

my life. Yes, life is meaningful with Jesus!

As you are about to close this book, do you know that right now both God and the devil are battling for your life? God has been trying to get through to you through many circumstances, and you know that is true. You are not reading this book by accident either. The Spirit of the living God had led you ... yet once more.

This may be your last chance, we do not know. But will you take that step and come within the boundaries of God's love? Even right now, you can have a meaningful life.

If you want to receive Jesus Christ as your Lord and Savior, pray the following prayer with me out loud:

Dear God, I humbly come before You in Jesus' name. I repent of all my sins. Please forgive me and cleanse me by the Blood of Jesus Christ. I renounce the devil and everything that is evil, and I pledge complete allegiance to You. Lord Jesus, come into my heart and life right now. I receive You as my Lord and Savior. Thank You that it is done. I praise You in Jesus' name. Amen.

Your life will never be the same again. The greatest Personality in this whole universe is now living in and through you.

Just one parting word, if you have just made your decision for Christ, I like to rejoice and pray for you. Do drop me a note. God bless you richly.
