

# Miracle Service Report

➤ January 21, 2012  
➤ Reported by Pastor Samuel Sam

Tonight, just two days before the Chinese New Year, Pastor Rony shared the message *Divine Promises*. It reminded us that God had given us so much that we should also use our lives to touch those close to us. And the visitations during this season offer us rare opportunities to minister to relatives and friends we do not normally meet.

Pastor Rony's message highlighted seven divine promises from the 14th chapter of the Book of John. The first is *God's full, permeating presence* (John 14:20, 23). If we consistently read God's Word and pray, God the Father and Jesus will take up residency within us! There is a depth in our spirit that can merge with God in such a way that no two human beings can. It is the ultimate merger of two beings, one divine and one human.

The second is *being assigned to the Comforter* (John 14:16-18, 26). When we, by faith, invite the Comforter Who is the Holy Spirit, He will be in us not only to lift us from our deepest sorrow, but also teach and enlighten us in all things. What a privilege we believers have!

The third divine promise is *answered prayer* (John 14:13-14). Our prayers offered in Jesus' Name will be answered because that would bring glory to the Father in the Son. As we pray anything within the scope of His Word, God begins to work on our behalf and the ultimate result will take place in His perfect timing as we trust Him.

The fourth is *a ministry of divine power* (John 14:11-12). Before Jesus came to this world, He emptied Himself of all inherent power. So when He ministered with all the wonderful miracles, He depended solely on the divine power of God the Father Who was in Him. And that divine power will be our portion as well when we avail ourselves to do God's work.

The fifth divine promise is *supernatural peace* (John 14:27). This is not the peace the world offers which happens only when all our circumstances are well. The peace that Jesus

promised is enduring even in the midst of a storm. During tumultuous times, we can still be at peace when we deliberately turn to Jesus.

The sixth is *inside information of major events* (John 14:29). Many major events in the Bible have yet to come. Amongst them is the Second Coming of Christ in mid-air to meet His bride – the believers who are ready. That alone ought to invoke soul-searching for everyone to live circumspectly before the Lord.

The seventh divine promise is *an eternal Home* (John 14:1-6). Jesus has gone to prepare an eternal Home for all believers and He will come back to receive us when our time arrives, whether we pass through physical death or are taken up in mid-air if Jesus comes back during our lifetime.

During the altar call, many were inspired to come forward at both our healing centers to receive Jesus as their Lord and Savior and began partaking God's divine promises mentioned above.

Following that, Pastor Rony told us about an email he received from a certain PH Tan concerning miraculous healing from the Lord. Tan is a cat lover and took care of this particular stray cat. But it became sick one day and started to spin around, scratching and biting itself until there were raw wounds. Tan knew that if the cat was brought to a vet, it would probably be put down. So Tan came to pray at the Miracle Service week after week and also enlisted the prayer support of her fellow cell members. Progressively, the cat was nursed back to health.

Then a few months ago, the cat suddenly had difficulty swallowing and was choking whenever it tried to eat. As a result, it became thinner and was dying. So Tan repeated the same process of praying in proxy at the Miracle Service and also asking her cell members to pray. Amazingly, a few weeks back, the cat became well again.

Pastor Rony pointed out succinctly that if God would care so much to heal an animal, how much more would He care for us and deliver us from our sicknesses. Moreover, the Bible clearly records for us that Jesus was wounded for our transgressions, bruised for our iniquities; the chastisement for our peace was upon Him, and *by His stripes we are healed*. When we believe in Jesus Christ, we are standing on righteous ground and can be confident that God would fulfill His promise to heal us.

With faith rising amongst the congregation, Pastor Rony initiated the healing prayer. Many put their trust in the Lord and received healing from Him. These are but a few of them:

**Madam Pakiam** suffered from a torn ligament in her right knee two weeks ago. As a result, bending her right leg and walking hurt terribly. She stepped into the Sanctuary tonight still with pain. But immediately after prayer, she was able to walk and bend her right leg free of pain.

For three months, **Lilian Woo** was plagued with pain in her right elbow. Working as a part-time waitress, that became excruciating and very inconvenient for her because she often had to balance the serving tray on her right hand above her shoulder. She rejoiced that she received instant and complete healing after prayer tonight.

In **Chang Khooon Fah's** annual checkup two weeks ago, his doctor was greatly concerned over a shadow that showed up on his kidney scan. Khooon Fah already had one of his kidneys removed five years ago because of cancer. So when the doctor told him of further tests that he might have to go through, Khooon Fah became worried. With a heavy heart, he prayed at the Miracle Service last week. In the middle of this week, his burden lifted when his doctor called to tell him that a panel of doctors had ascertained that there was nothing for him to worry about. Khooon Fah believes that it was the result of God's intervention.

## Marriage Enrichment Seminar in 2012

The Marriage Enrichment Seminar (English) on February 11 has been rescheduled to Saturday, May 19. This will be a one-day seminar comprising lectures and workshops from 9am to 2pm. Rev. ## Baptism Class

➤ Saturday, March 3 ➤ 2pm to 4:30pm  
➤ LE Woodlands

When you came to Christ, you were "circumcised," but not by a physical procedure. Christ performed a spiritual circumcision—the cutting away of your sinful nature. For you were buried with Christ when you were baptized. And with him you were raised to new life because you trusted the mighty power of God, who raised Christ from the dead. Colossians 2:11-12 (NLT)

Water Baptism is a public testimony – the outward confession of an inward experience. In baptism, we stand before witnesses confessing our identification with the Lord in His death, burial and resurrection.

Take the step of obedience to the Lord and make a public declaration of your sincere and wholehearted commitment to follow Christ.

The Baptism Class will be conducted on March 3 to prepare you for the Water Baptism on March 24. To sign up for the class, you need to:

1. Read the books *Rock Foundation* and *Firm Foundation* written by Pastor Rony.
2. Complete an assessment based on the above books.
3. Fill out the application form.
4. Write a personal testimony.
5. Submit all these via the form-collection box.

Registration closes on Sunday, February 19.

## Upperlight

Every Saturday : 4.30 pm  
Every Sunday : 15 mins before each worship service

"Our prayer must not be self-centered. It must arise not only because we feel our own need as a burden we must lay upon God, but also because we are so bound up in love for our fellow men that we feel their need as acutely as our own. To make intercession for men is the most powerful and practical way in which we can express our love for them." John Calvin

Every Saturday, we have people from many countries in the world tune in to the live broadcast of our Miracle Service. Let us remember to lift them up in prayer, trusting that God will do a great work in their lives. This is indeed a noteworthy way of expressing our heartfelt love for fellow men on earth.
