

# Miracle Service Report

JUNE 20, 2015  
REPORTED BY STACEY SEAH

The Miracle Service is conducted every Saturday evening at 7.00 pm. It is your opportunity to come and receive a touch from Jesus Christ. It is also a place to find peace and healing of the total man. If you have been reading this report for some time now but have not attended a service, perhaps now is the time to take a step of active faith.

Are you praying and believing God for a miracle? The practical sermon delivered by Pastor Rony this evening, entitled **Active Faith**, shows us what happens when you couple your faith with action.

Being a Christian means you believe that Jesus Christ died on the Cross for your sins. In so doing, He purchased you with His Blood so that you can be reconciled to God the Father. Now you know that He is a loving God Who wants to bless you. You agree with God's Word, but is your faith passive or active?

## Passive Faith

Passive faith is an understanding of God's Word in the mind. One who is passive sits around and waits. He does not apply God's Word or put it into practice. He does not back his prayers with action.

James 1:22 (NIV)

*Do not merely listen to the word, and so deceive yourselves. Do what it says.*

## Active Faith

A Christian who practices active faith is one who reads the Word of God and puts the principles into practice. He is one who not only believes, but also takes steps to apply God's Word in his life. He keeps praying till he sees what God intends it to be. He backs up his faith with action.

## Difference between passive and active faith

The parable of the wise and foolish builders in Matthew 7:24-27 relates the difference clearly. The one who hears the Word of God and puts it into practice is a wise man who builds his house on the rock. This house will not be shaken despite heavy rain, thunderstorms and howling winds threatening to bring it down.

But if he does not put into practice after hearing the Word of God, he is a foolish man who builds his house on sand. The house will fall when storms come.

Are you wise or foolish? This only remains to be seen when the storms of life come crashing down. How strong is your house? Is it built on the rock or on sinking sand?

## Examples of active faith

James 2:17 tell us that faith without works is dead. It is hardly enough to agree with God's Word only. There once was a paralyzed man who had four friends bring him to Jesus for healing. A big crowd had gathered to listen to Jesus and there was no way the four men could bring him close enough for Jesus to see him. Instead of giving up, they backed their faith with action by climbing up the roof with their paralyzed friend and lowered him through the roof tiles right down to where Jesus was. Upon seeing his faith, Jesus commanded him to pick up his mat and walk, which the man did and was immediately healed! (Luke 5:18-25)

In yet another story where active faith was practiced, a woman who had been bleeding for 12 years had faith that Jesus could heal her. She had spent all her money on physicians, but only got worse.

So one day when she heard that Jesus was coming her way, she fought through the crowd just to touch Him. Her faith knew that He could heal and her action proved that she was acting out her faith. She knew in her heart that if she could just touch His garment, she would be delivered from her condition. Although many might have touched Him that day, Jesus knew this touch was one of faith. What men had failed to do for that woman in 12 years, Jesus did in a moment.

That's what happens when active faith is put into motion.

## What else to do when practicing active faith

The Word of God is in your mouth and in your heart, that's how close it is to you (Romans 10:8-13). You can boldly declare that Jesus is Lord not only for your salvation but also your healing. That is the power of God's Word. Declare it boldly today and back your faith with action. Now, feel the presence of God and receive your healing.

## Here are some of the testimonies for the night:

Victor Foo **injured his left knee** while dancing last Friday. He remembered the Miracle Service and came for prayer after which he felt an 80% relief. He

could bend his knee for the audience to see and everyone clapped when he went up and down the stage stairs with significantly less pain. That was his faith in action!

Ruth Cheung had been **struggling with back pain** for a few weeks now. The pain was especially bad when she stood up from a sitting position. Her right elbow was also troubling her due to carrying heavy bags. She came for the Pre-Miracle Service Prayer at 6.30 pm where a Gospelighter prayed with her. She testified that pain in both areas left immediately. Praise God!

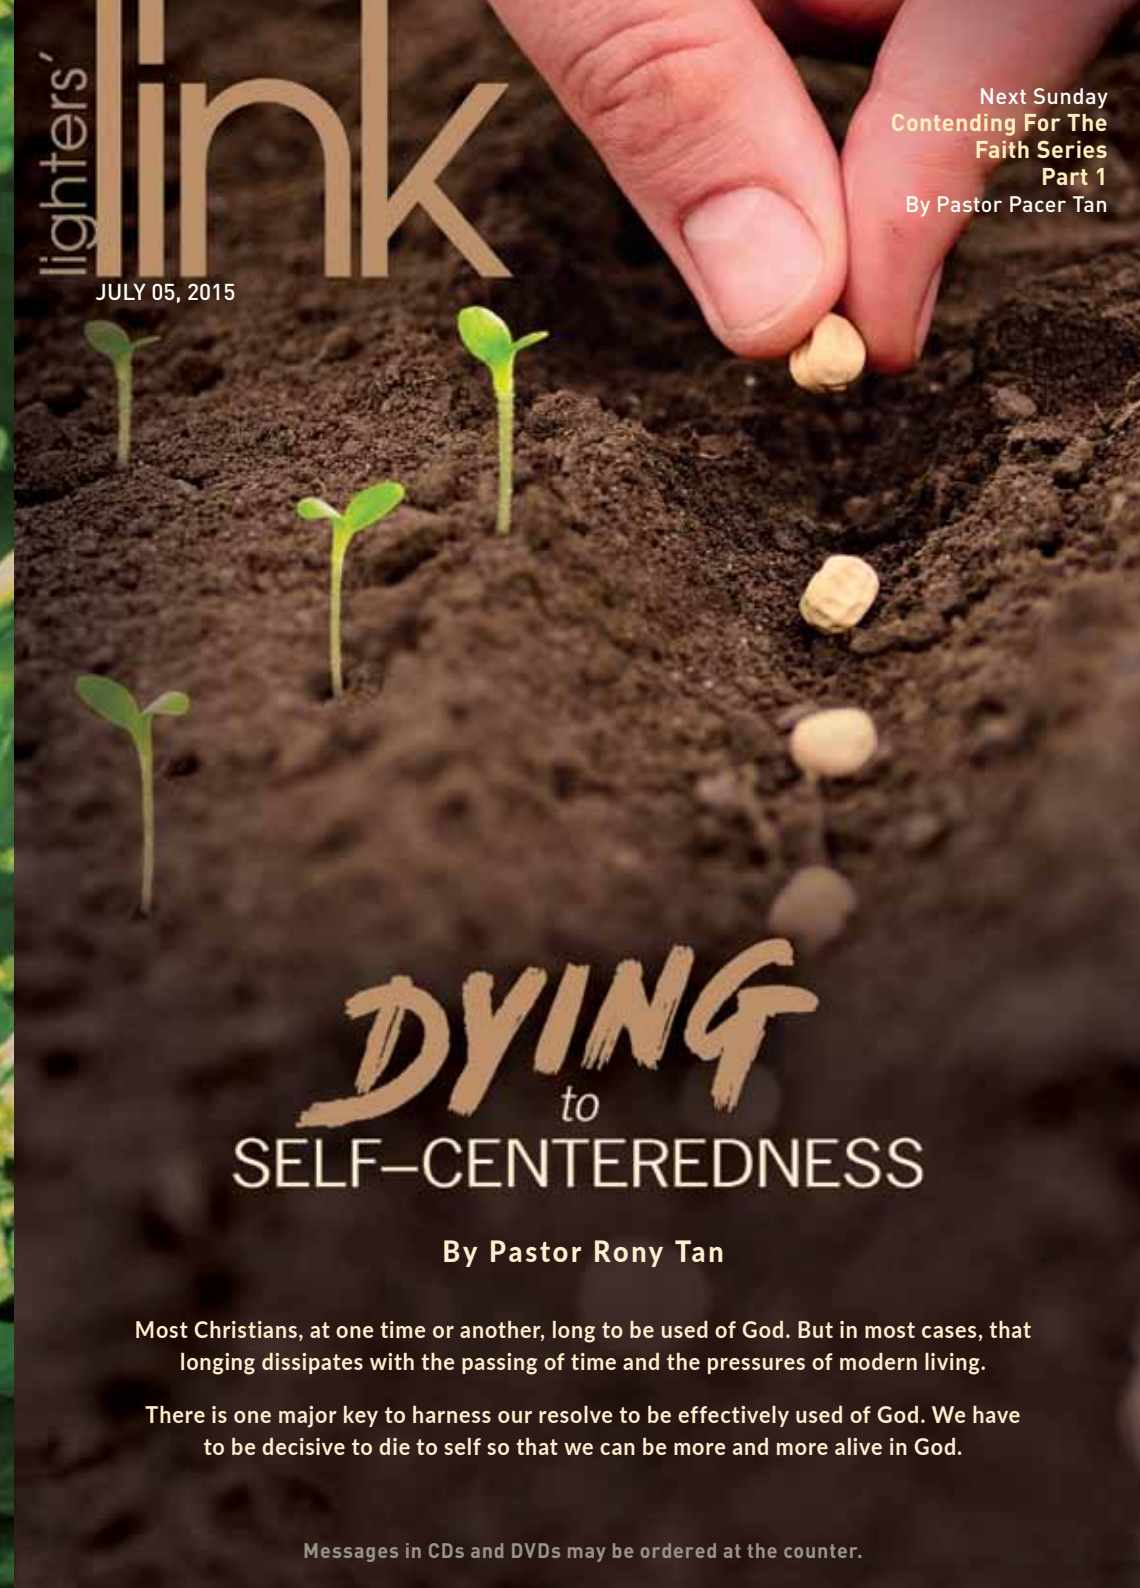

Jane Toh suffered a **mild stroke** that affected the left side of her body, causing it to become numb. She has attended the Miracle Service twice and has been praying for her condition. She is now 60% better and waiting for complete healing.

Active faith will move God to act on your behalf.

## A Thankful Attitude

By Sarah Young

Habakkuk 3:17-18; Psalm 46:1

A THANKFUL ATTITUDE opens windows of heaven. Spiritual blessings fall freely onto you through those openings into eternity. Moreover, as you look up with a grateful heart, you get glimpses of Glory through those windows. You cannot yet live in heaven, but you can experience foretastes of your ultimate home. Such samples of heavenly fare revive your hope. Thankfulness opens you up to these experiences, which then provide further reasons to be grateful. Thus, your path becomes an upward spiral: ever increasing in greatness.

Thankfulness is not some sort of magic formula; it is the language of Love, which enables you to communicate intimately with Me. A thankful mindset does not entail a denial of reality with its plethora of problems. Instead, it rejoices in Me, your Savior, in the midst of trials and tribulations. *I am your refuge and strength, an ever-present and well-proved help in trouble.*
