

THE CHOSEN RACE was an insightful message by Pastor Rony this evening. What he shared was definitely not about the master race Adolf Hitler unsuccessfully strived to build when he was the politician and dictator of Germany. History tells us about the unthinkable evil and atrocities done by Hitler. In many ways, he was the embodiment of evil and responsible for the devastation of the Second World War and the horrors of the Holocaust. He hated the Jews with a warped ideology that they were inferior subhumans. So he planned genocide to kill them systematically by the thousands.

At that time, train loads of Jews were sent to the slaughter daily. They were deceived into thinking that they were going to the countryside to work in the fields. Upon arrival, the women, children, elderly and sick folks were asked to go for a bath, then they were stripped naked and killed in the gas chamber. The able-bodied men were brought to labor in the concentration camps infested by rats and bugs. Once they became sick and disabled, they too would head for the gas chambers. It was like a German mass murder factory. Systematically, the Jews were killed and the evidences hidden from the world. How could a man conceive such demonic cruelty?

Hitler was obsessed with the idea to build a superior master race with great intellect far above all the races of the world. They would rule the world for a thousand years. They were supposed to be none other than the blue-eyed and blonde-haired Germans. He believed in the theory of evolution, where the fetus survived and he could build a master race. Thus, he made his high-ranking officials to have affairs with single German ladies to impregnate them to give birth to blue-eyed and blonde-haired children. As a result, there were many illegitimate children

born and fostered out to be raised as the super race. When he found this process slow, he also started a plan to kidnap two hundred thousand children from Poland and Russia to build that insatiable obsession.

However, Hitler's demonic atrocities ended when Germany was defeated by the Allies. When he was captured by the Allies, he knew that he would be tried as a war criminal. So he shot himself fatally. Most of his officials fled and committed suicide. Others were tried as war criminals and executed. So what happened to Adolf Hitler's experiment of building a master race? Today, some of those surviving illegitimate children begotten by his officials are already in their seventies. Through no fault of their own, they live with guilt and shame not knowing who their actual fathers were. All they know is that their fathers could be one of those mass murderers and war criminals.

Therefore, the heart of this message is not about blue-eyed and blonde-haired people as the elite race. There is nothing to do with the outward appearance or racial color. Regardless of hair or eye color, what matters most is a changed heart that turns to God. The Bible clearly states in 1 Peter 2:9-10 (GNT) that when you belong to God, you are a chosen race, the King's priests, the holy nation, God's own people chosen to proclaim the wonderful acts of God Who has called you out of darkness into His own marvelous light. At one time you were not God's people, but now you are His people. Once you did not know God's mercy, but now you have received His mercy. Hence, the chosen race is not about looks, color or status, but believers who belong to God as sons and daughters of the Most High.

Humanity as a whole does not know that they

are being fooled by a dictator who is worse than Hitler. His name is Satan. Besides, they do not realize that they are in a train bound for a concentration camp more hellish than Hitler's. This train is arriving every minute with unsaved souls to that place of damnation and once there, it is for eternity. It is a place of eternal destruction where the soul does not die despite the unquenchable fire and brimstone. Satan the dictator destroys by the billions. But there is only one Savior, who saves by the billions! His name is Jesus Christ. He is building the wonderful chosen race that is forever. But the sin of mankind has to be dealt first. The Bible says that all have sinned and come short of God's standard. The punishment of sin is eternal death, which is the destruction factory of Satan. But God so loved the world that He gave His only begotten Son, Jesus Christ, to redeem mankind from sin and guilt. Whosoever believes in Him shall not perish but have everlasting life. The Heavenly Father is not willing that anyone should perish, but that all will come to His saving grace.

This is because everybody outside the commonwealth of faith is on that train bound for Satan's destruction camp. Every person born into this fallen world is a candidate for hell if he or she is not redeemed from sin. But you do not have to choose to go there. Jesus is the only way of escape. Hence, you need to be born-again. The born-again experience means a radical change in the heart that repents from sins and receives Christ as Lord and Savior. When you are born-again into God's family, you become the chosen race with royal blood flowing in your veins. And the chosen race will reign with Jesus not for a thousand years but forever and ever.

People do not realize the offer by Jesus is astounding. And it is unbelievable how people would not accept such a great salvation. This redemption plan that Christ brought to us personally is called the Good News because it seals your eternity forever. Jesus bled and died to pay the gruesome price on the Cross so as to set us free from sin and damnation. He rose again victoriously to reconcile us to God. Having done everything to save us, how dare we trample the Son of God under our feet

by rejecting Him? So, wise up and allow Christ to rescue you from the train of destruction. Find your safe refuge in the loving Savior. This is the most important decision of your life; so delay no more!

The message stirred many hearts who received Christ as their personal Lord and Savior. After the healing segment, numerous came forth to testify of their healing experiences. Here are some testimonies:

Michael Teo shared two testimonies. For about **four years, he suffered from eczema on his lower body**. From the onset, it was under control and did not bother him much. But toward the end of last year, it became bad and he was concerned. He continued to apply the eczema cream as usual, but at the same time came to the Miracle Service to pray. He experienced a breakthrough two weeks ago when he decided to claim Mark 11:24 in his prayer for healing so he stopped applying the eczema cream. After that, the eczema subsided and he was totally healed. Next, his **blood sugar level was high early this year**. He came to pray against it and also garnered the prayers of his cell members. He thanked God that his blood sugar level had normalized and no medication was needed.

Pratibha Kapoor **testified on behalf of her daughter who was diagnosed with throat cancer** in November 2016. She had been coming to pray for her daughter's healing without giving up. Even at home, she continued praying unceasingly and trusting God to deliver her daughter who was in the midst of surgery and treatments. Praise God, the medical results were good and her daughter is completely well. Hallelujah!

Cecilia Chin glorified God on behalf of **her sister who had blockages in several of her heart arteries**. She was scheduled for angioplasty and stent procedure. Concerned for her sister, Cecilia had been coming to pray in proxy for her. Yesterday, before the surgical procedure, she went for a checkup and amazingly no blockages were found at all. So her sister was spared the surgery. Praise God!

JESUS CHRIST IS ALL YOU NEED TO BE SAVED AND CHOSEN!

基督精兵

迎战

撒旦‘装假’部队

以弗所书里说因我们并不是与属血气的争战,乃是与那些执政的、掌权的、管辖这幽暗世界的,以及天空属灵气的恶魔争战。所以,要拿起神所赐的全副军装,好在磨难的日子抵挡仇敌,并且成就了一切,还能站立得住。

居住在新加坡的都会深深感受到太平盛世的安稳。但基督徒还是会认同其实我们每天都处在一个个肉眼所看不到的战场。撒旦魔鬼的‘装假’部队遍布全岛,通过谎言;诱惑及装假叫人离开或不信上帝。非信徒听起来可能会觉得不可理喻,基督徒是不是未免太神经兮兮了!

撒旦的部队通过伪装利用人的弱点及罪性制造破坏工作。我们姑且别说太远的,近在身边的教会运作,撒旦仍然可以通过弟兄姐妹间不同的个性与观点制造误会纷争,从中搅乱事工的进展。如

果我们在灵里不够谨慎就会跌入他的圈套。当我们一直为了面子不肯认错,或不愿原谅,坚持自己的无理是有理,使到整个局面变成很僵很不和谐时,我想我们已经让那恶者得逞了。

基督徒要天天看顾自己的心如同在战场前线站岗的士兵,防守敌人入侵。骄傲、怨恨与不饶恕的灵都会像病毒入侵我们的心,叫原本柔软的心受侵害,变得干硬而作出许多不属神的决定。我们在家也好,在工作地点也好,都会面临属灵争战。如果从头到脚没有做足装备,就会成为撒旦魔鬼偷袭的目标。

撒旦的部署会一直在我们的耳边说,明天才开始认真读经灵修,到了明天他会在耳边说同样的话,因为今天太累了。下个星期才上教会吧,因为这星期忙透了。这段婚姻应该提早结束;因为没希望了;这份工辞了算了;因为同

事太不讲理了;服事主太辛苦了;这小组应该暂停了;组长和组员太没爱心了;这病没得救了...这些都很可能是恶者的装假话。

以弗所书继续说,所以要站稳了,用真理当作带子束腰,用公义当作护心镜遮胸,又用平安的福音当作预备走路的鞋穿在脚上。此外,又拿着信德当作藤牌,可以灭尽那恶者一切的火箭。并带上救恩的头盔,拿着圣灵的宝剑,就是神的道。靠着圣灵,随时多方祷告祈求,并要在此警醒不倦,为众圣徒祈求。

愿主耶稣的宝血继续遮盖,天使继续围绕每个基督精兵。让我们在撒旦所活动的每个地域如同突击部队把他击垮;打他个片甲不留,插上基督得胜的旗帜!像使徒保罗宣告说那美好的仗我已经打过了;当跑的路我已经跑尽了;所信的道我已经守住了!

AN EXTRACT FROM THE BOOK DISCIPLINE OF THE HEART

WRITTEN BY PASTOR RONY TAN

A CHANGE OF HEART

Lucifer was the right hand man of God. He was the music director of Heaven, leading the heavenly hosts in worship and praise. Magnifying God was his business and heart's delight. All the other angels looked up to him and emulated him in his devotion and adoration of the Lord.

As Lucifer turned his focus from God to self, little by little, there was a subtle shift in his heart. Loyalty and faithfulness turned into disloyalty and betrayal. Not only was his heart shifted to evil, but he influenced one-third of the angels to turn against God as well.

So you can see that loyalty and faithfulness are the cultivation of the heart. So are disloyalty and unfaithfulness.

In his relationship with the Lord, David knew that the crux of it was in his own heart. Therefore, he prayed, “My heart is fixed, O God. My heart is fixed.”

When a person is born again, his heart or spirit is being recreated by the Spirit of God. Hence, God's divine love and faith flow through that heart as a result of the new birth.

When that believer yields more to the Lord, then the fruit of the Spirit flows through his spirit. The gifts of the Spirit flow in like manner. Even our yielding comes from the power of the recreated spirit.

When I was a young Christian, I met an assistant pastor of a certain church. I was very impressed with him because of his knowledge of God's Word.

It did not occur to me at that time that Bible knowledge in the head is

only potential power. To make God's revelation a part of us, we have to translate that knowledge from the head to the heart and then into action.

However, I was even more impressed with this assistant pastor when he spoke glowingly of his senior pastor. Not only was he knowledgeable and eloquent, he was also faithful and loyal to the man who was his mentor.

Years later, his senior pastor came to lecture on Church Growth in the Bible college I was attending. And he sang high praises of his assistant. That church seemed to be doubly blessed and destined for great things because of such a love and co-operation between the two pastors.

When I was listening to that senior pastor, I was greatly disturbed because a classmate had already told me that the assistant pastor was actually planning to take away a great part of the congregation in order to start his own church. As usual, accusations were levied against the senior pastor.

As that senior pastor began to share with us how supportive and submissive his assistant was, I felt like crying. I knew in advance that his heart would be broken into many pieces very soon. I could do absolutely nothing, except to pray, because I had already promised secrecy to the person who divulged the secret plan of a coup to me. Besides, I did not have sufficient facts of the case.

If somebody, who is about to share with you a secret, asks you to promise secrecy, don't be too quick

to be bound. Ask if that secret involves other people before you make a promise or you may be trapped in a turmoil of conscience.

In the space of a few months, the rebellion took place. It was in their annual church camp in which the senior pastor excused himself because of his tight schedule. He entrusted his precious flock into the hands of the assistant. The latter sold his plan of a new church to the members and persuaded many to follow him.

The church split broke the senior pastor's heart. He was never the same man again.

Loyalty comes from the heart. But the state of the heart can be changed through a different focus, especially when one turns away from the principles of God. Then disloyalty can flow from the same heart.

Absalom had an evil heart of disloyalty. He imparted that spirit of disloyalty at the city gate where he met the people. Like some eloquent but evil politicians, he subtly criticized the present administration, especially his father, and displayed love and concern that were not genuine.

The people believed him. The Bible tells us that Absalom stole their hearts away. The truth of the matter was that David had more love for the people than Absalom. His unfilial son had an evil heart. He didn't care for the people at all, yet they believed him.

That's the reason why we should guard our hearts with all diligence. When our hearts are led astray, we can be seduced to believe the most outlandish lies and wrong teachings. A wrong belief system can ruin lives.
